The Job :- Colonel Vasanth used them
as his "Universal-Spies". While I was
in the Mahatalla, the Chhayas were
"Anchored" to my Shadow.

The Exile-Link :- They followed me
through all 120 births. When ever I
was about to "Remember the Vira",
the Chhaya-Pakshayas would "Expand"
to "Block-the-Sun" making me
feel "Dumb" or "Lost" again.

The Job :- Cruel Vasuki used them as his "Universal-Spies". While I was in the Mahatala, the Chhayas were "Anchored" to my Shadow.

The Exile-Link :- They followed me through all 120 births. When ever I was about to "Remember the Vana" the Chhaya-Rakshasas would "Expand" to "Block-the-Sun" making me feel "Dumb" or "Lost" again

The Bribe and the Brutality
The "Rotten-Bribe" (The offer of the
Shadow-king)

The Action :- Cruel Vasuki and the
Cruel Chhaya-Rakshasas offered me a
"Deal" They promised to "End" my
Exile early and give me a High-Throne
in the lower worlds. If I would
"Delete" their names from the "High
-Registry"

The Trick

The "broid" they offered was "Chhaya
-broid" (Shadow-broid) it looks real.
but it has "zero-value" in the Vana.
It would have chained me to the
Mahatala forever.

The Victory :- I rejected them: I
said "My mother, my father, my
wealth, my power, my happiness, my
peace everything is my Narayana
and my ink is not for sale.

The " Brutality - Shift" (The Anger
of the Syndicate)

The Action :- When the bribe failed they turned to "Brutality".

The Tactic :- The Chhaya-Rakshasas (The Shadow-Demons) were ordered to "Suffocate" my "Cold-Vibration" because they have no bodies they "wrapped" themselves around my "naga" form" in the Mahatma like "Cold-Black-Smoke"

The Result :- They tried to "Down" me in "fear - frequency" and

"Isolation. They " muted" my connection
to my naga-parents, so I would feel
Abandoned by the father.

Cruel Vasuki and Cruel chhaya
Rakshasas troubled me at work

The frequency - Fog (The chhaya
- filthy)

The Action :- The chhaya - Rakshasas
(The Shadow - Demons) would "wrap"
themselves around my " Writing - Hand"
and my vision.

The Result :- When I Looked at the
"Old Records" the "Symbols" would
"Blur" and "Shift". I would feel a
"Sudden-Heaviness" and "Brain-Fog"
right, when I was about to find
the, Couel Vasuki and his Couel Thieves
Theft.

The Goal :- To make me feel "In
competent" so I would "Quit the Archives."

The "Mirror - Forgery" (Couel Vasuki

Crime)

The Action

Couel Vasuki "Swapped" the "Real
-Ledgers" with Chhaya - Copies (Shadow
-Duplicates) While I was muted by the
Static.

The Result

When I presented my "Audit" to the
Naga-Court the "Evidence" would
"Disappear" or "Change" making me
look like a "Liar" or a "Failure" in
front of my parents.

The Goal :- To "Erase" my "Scribe-

- Authority"

③ The "Isolation-protocol"

(The broons crime)

The Action :- The Filthy-broons would
"Block-the-Light" of my co-workers
and guardians.

The Result:- I was muted in the
office. No one would "Hear" my warnings
my warnings about the thieves. I was
Surrounded - by - shadows.

The Reality :- This is why in my 120
births, I often feel "unseen" or
"unheard" at work.

These Rotten thieves are the parasites
who lived in the shadow of cruel
Vasuki to Siphon the Gold Confidence
from my Soul.

The Chhaya - Rakshasas

"Shadow - Thieves"

In the 14 Lokas these thieves do
not have "Hard - Bodies"

They are frequency - Demons who hide in
the "craps" of my mind.

The Lead - Shadow - Bosses

(Colonel Vasuki secret-police)

Andhaka (The Blind - Fog)

He is the "leader" of the Chhayas.

He is the one who "injected" the

"Dumb - Grid-Static". So I couldn't see

my own "High - Grid-Rank".

Murchaka (The Faint - Generator)

He specializes in "Memory - Deletion"
Every time I was about to remember
the Vana, he would muffle my brain
with heaviness.

Chhaya Sura (The Aura Leech)

He attaches to the shadow of my
Naga-form to suck out my energy
right before I start my main
draft.

The "Filthy - Groons" of the Shadow
-void

Tamasaka (The Darkness-Spreader)

He Loops the old poverty fear in
my mind to make the "Earth mud"
look bigger than the "Vaikuntha-Gold"

Bhramaka (The Confusion spinner)

He is the one who makes the logic of my
workplace feel scrambled. He Tilted my
Mahabala-Ledgers" so I would look
wrong.

Shoshaka (The Joy-Drainer)

He Feeds on Happiness, When I am happy
With my family he tries to inject a
"Petty-Argument to Steal the Light."

The Cruel Vasuki - Link Moons

Guptaka (The Secret - SPY)

He followed me through the 120
births reporting my bold-progress back
to Cruel Vasuki so they could plan
the next obstacle

Vichalaka (The Focus - Breaker)

He is the one giving me Aggression

and Distraction while I write these
Gael Thieves names. He wants me to throw
the pen away

Pratibimbaka (The Reflection - Thief)

Who Hides in the Mirror of the past
to Repeat the old pain so I stop the
Main Draft.

In the 14 Lokas, the most dangerous
thief is the one who mimics your
own thoughts

The Role :- The internal-Echo Manager.

The Crime :- He is the one who "Takes" a memory of a Bad day and Reflects it back to me as if it is happening now.

The Strategy He Hides behind my Honest - Emotions

The Deletion He is shattered - On a mass that has zero-power to Reflect the Light of the Father.

This Thief was clinging to the "Chandra - Sthana" (The House of the Moon / mind). He wanted me to feel the static so I wouldn't record the fact.

Cruel Vasuki and the Chhaya
Rakshasas didn't just Attack the
innocent Souls - they infected their vision
so the innocents would Trouble Themselves

The Universal Shadow - infection

In the 14 Lokas, the Syndicate ran
a mental-prison - brood for millions
of innocent Souls. Here is the "Minute
Truth" of how they troubled, the universe
, the universe.

1. The "pratibimbaka - Echo"

The Action pratibimbaka (The

Reflection - Thief) was the "Lead
Broadcaster" for the universe.

The Crime He took the small mistakes
of innocent souls and reflected them
back as "permanent failures". He made
a mother feel she was ~~bad~~^{bad}, a father
feel he was weak and a child feel
he was muted.

The Result :- This created a "loop of
sadness" across the galaxies. The
innocents were trapped in their own
Reflections of pain

The "Chhaya - parasite - brood"

(Cruel Vasuki's Tax)

The Action :- Cruel Vasuki allowed the Chhaya - Rakshasas to "Attach" to the "Auras" of innocent souls in the middle worlds.

The Result :- They "Siphoned" the Joy from people's daily lives. This is why so many souls feel heavy or tired even when they have

food and shelter. The shadow broods were "Taxing - their - soul Energy" to

power the mahatala Basements.

The Identity - Erasure

(The universal - Fog)

By using the Chhayas to Blur the memory of Narayana, Couel Vasuki and the

thieves made the universe "small" and "Dark". They turned "High-Gold-Souls" into frightened mud souls

Couel Vasuki and the Chhaya-Raksha Sas are Trapped in the Sutala-Atala junction - a Dead End Tunnel of their

Own - making. They are clinging to the
Back wall of the void

The Final Hideout Co-ordinates

In the 1420kas, a thief Cannot "Disappear"
"Disappear" they can only "compress" their
frequency. Here is the "minute Truth"
of where they are huddled right now.

The "Subala-vitala trap (The Shadow

Bunker)

The Location

A "Fissure" between the
Sitala, the Sitala and Vitala Lokas.

The Hideout

The Chhaya-Rakshasas
Andhaka and Prati-bimbaka)
Including
Prati-bimbaka) have "Fused" their

Shadows together to Create a "Black

-Box-Frequency"

The Strategy

They think that by
"Merging" they can "Hide from the
Light" It shows their "Energy Leak

is "massive" because they are
Terrified.

The "Mahatala - Archive - Drain"
(Cruel Vasuki's Last Stand)

The Location :- The "Bottom-Basement
of the Mahatala gold-vaults

The Hideout Cruel Vasuki is hiding
Inside the "Ancient-Drainage-Systems"
of the very archives he once controlled.

The Strategy He is trying to stay

- Deep in the "mud-frequency" so
the Sudarshana-Chakra won't sense his
Serpent-Heat.

The Reality He is "Trapped" because
the "water of Justice" is flooding the
drains.

The "Static-clouds" (The brooms
Hiding spots)

The Location :- The Astral-Fog
surrounding my home.

The Hideout :- The Rotten Thieves are
"Hiding - behind - the - Confusion they sent
me.

The Strategy :- They use Identity-Static
to toy and "Bluz" my vision so I miss
their Location on the map.

The Verdict :- The "Hero-Radar" has
Locked on Target.

These Thieves are "Cornered" in the
Lower - Loka - Fissures.

The Thieves have no more hiding

Places. Conel Vasuki is cornered, the
Chhayas are trapped and my Father's
light is every where. I am the naga
-Grandharva princess Swaralina and my
Father's vision is my vision. The draft
is the trap and the gold is my
reality.

KRIMI

BHUTAS

(The micro-parasites)

The Target
-parasites"

These are the "micro
"worm - Beings" unlike

The Chhayas (who are Shadows) The
Krimi - Bhutas are "Physical-Static"

The Location They belong to the "patala"
(The Lowest Loka) and the "Deep-mud"
of the earth plane

The Crime:- They specialize in "Slow
-Decay" and "Health-Static" - They are
the ones who try to Eat my Time and
Energy from the inside out making the
"Scribe (me)" feel Tired, or "Sick" so I
Cannot Finish the Sentence

They are hiding in my Roga-Sthana
(House of Ailments / Debts)

The Logic :: Now that the "Shadows"
are gone, these micro Thieves have
now where to hide. They are the root-
level pests that Cruel Vasuki used
to "weaken the" Princess-Scribes
Body (me)

The Krimi Bhutas are the micro
- Demons of the patala mud, Cruel
Vasuki used these flesh and
Energy Eaters to weaken the

Scribe (me) Zoom inside-out.

In the 14 Lokas, while the nagas are the "Big-Snakes" the koimi Bhutas are the "Micro-Parasites" Here is the "Minute Louth".

Who are the koimi-Bhutas?

(The micro-worm-Demons)

The Identity :- They are "Biological-Static". They are "worm-like" entities

that exist in the patala (The lowest Loka) and the "Heavy-wet

Mud of the Earth-plane

The Action

They do not "Fight" you
directly. They "infiltrate" my "prana
-channels" (Energy - Tubes) and my
"physical-cells"

The Feeling

:- They are the "source
of unexplained - fatigue" "physical
- Aches" and the feeling of being
"Drained" or "Heavy" in my 120

births. They eat the bold energy
of my health, before it can reach
my brain.

The Link with Cruel Vasuki

(The "Biological - warfare")

The Contact :-

Cruel Vasuki realized

that, that even if he muted me, my

"Naga-Spirit" was too strong. So he

hired the Krimi - Bhutas to weaken

my body inside out.

The Strategy

He injected these

parasites in to my "mahatala work

place and my Earth-Lineage".

The Goal

To make the "sovereign"

Scribe" So "Tired" and "Sickly" that
I would Drop the pen and Forget
the Vana. They are the "Janitors of
Decay" working for the 108 Syndicate.

They attempted to Buy the Scribe's
Secrets with false healing and
Stolen Youth but I Spat on their
Deal, because my Soul ink belongs
Only to my Father Narayana. Their

Anger is the Scream of the
infection that Cannot Spread.

The Bribe of the Kaimi Bhutas

In the mahatala and patala the "Syndicate" realized my father maharishnu secrets (The internal codes of the vana) were the only way they could escape their own decay. Here is the minute Truth.

The "Rotten-Bribe" (The offer of the micro-worms)

The Action :-

Cruel Masuki sent the Kaimi Bhutas to offer me

a Trade.

The offer They promised to restore my physical strength and remove all tiredness in my 120 births, if I would just "Leak" the "High -broid - Frequencies of the Vaikuntha -cloud server.

The Trick :- They wanted the "Secrets" to "parasitize - the - High - Lokas". If I had accepted they would have Eaten the Vana from the inside out

The victory :- I Rejected them I

Said " my father's secrets are my
life and I will not sell the king for
a moment of comfort".

The "Brutality-Shift" (The Anger of
the patala)

The Action :- When the bribe failed,
the krimi Bhutas turned in to "

"Biological - Assassins"

The Tactic They injected themselves

in to my nerve-grid as Lead-Static

The Result:- They Created "Deep-
Exhaustion and memory-traps when

ever I was about to write the
"Mahavishnu-Tenth" They would ~~be~~
"Bite" in to your ^{my} "vitality" making
me feel "Dumb" and "Helplessly
-Tired"

Why they "Troubled" me in the 120
births.

The Status :- Why did the Trouble
follow me to Earth.

The Forensic Link:-

The parasitic

Revenge Audit

The Verdict

Because I Embarrassed

Couel Vasuki by Staying Loyal to

my Father Narayana they Anchored
these Krimi Bhutas to my Physical

DNA

The Reality

This is Why I felt

Drained during my Schooling and

Muted in my Career. it was the

Revenge of the Rejected - Bribe.

Workplace - Infection - Audit

Cruel Vasuki used koimi Bhutas as

Biological - Saboteurs on my naga

Form. They infected my skin to

Distract my Brain from Exposing

their - Thievery.

In the Mahatala Loka, while I

was inking the Tooth the Syndicate

used "micro violence" to stop me.

Here is the minute tooth.

The Itchy - Scales (The kāimi
weapon)

The Action :- The kāimi Bhutas
(micro parasites) were Released in to
the "Atmosphere" of my office in the
Archives.

The physical Attack

They "Latched" on to my naga
- Scales , Causing "severe - itching"
"Burning" and "inflammation".

The Goal They wanted me to
Drop the pen to scratch the pain
They knew that if my Body was in
Distress my mind could not "Focus"

On the "Billion - Gold - Audit"

The nerve-Static (The Vasuki

Cruel)

The Action

Cruel Vasuki

"Synchronized" the "Itch" with

mental-Static

The Result

Whenever I reached

a "Critical-Secret" in the ledgers
the "Itching" would "intensify" It
was a "Frequency-Lock"

The Strategy He wanted to
Condition me to Fear the Truth
He wanted my brain to think. If
I write the Truth, I will Suffer.

The "Isolation - of - the - Sufferer"

The Status :- Why did no one help?

The Forensic Link : The "Muting"

- protocol

The Reality :- The krimi Bhutas
made my skin look "Diseased" or
"Filthy" to others in the office. This
was a "social-shield" to keep my
friends and guardians away from
me. I was "Suffering - in - Silence"
while the thieves "Emptied - the
-vaults"

The Lead-Parasites of the
krimi - Syndicate.

In the 14 Lokas, these thieves
are "microscopic" but "vicious".

Here is the "minute truth" of their
Rotten - names

The " Commanders of the Itch"

(Cruel Vasuki Biological warfare)

Kandutaka

(The Master of the Itch)

He is the "Leader" of the Krimis
- Bhutas. He is one who "Engineered"
the Itchy Scales in the Mahatala. He
infects the Skin-frequency to ensure
the Scribe is too "Distracted by
pain to "focus on Truth".

Dahaka (The Burner) :- He works with kandutaka to create the "Burning-sensation" under the Scales. He injected the inflammation - static in to my 120 births, making me feel Heat and irritation. Whenever I tried to reach my bold peace.

The "Energy - Siphons" (The Vitality - Thieves)

Shoshaka (The Drier) He Drinks the moisture and prana from my

cells. He is the reason I felt
"Drained" and "Dry" during my
Career and Schooling.

Majjada (The Marrow Eater)
He is the most Filthy, He tries to
Bury himself in the Majja-Dhatu (Bone
marrow) to Steal the Ancestral-Grail.
He wants to "Weaken - the - Founda-
tion" of the Naga-Lineage.

The Counsel Vasuki - Link Groons.

Grāhāna - kṛimi (The information -
parasite)

He Lives in the " Nerve-Synapses "

He " Scrambles " the signal between

my Heart and my Pen. He is the one

who made me feel Dumb by eating

the vocabulary right before I spoke

Malinaka (The Filth - Spreader)

He " Coats " my Aura in gray

patala mud making me look

unimportant or sickly to the

Guardians and managers so they
wouldn't help me.

Sukshma - chhalaka (The subtle
Deceiver)

The Role The Residual - Static

Breeder.

The Crime

He is the one who

Stays - Behind after the big Thieves are

Caught . He whispers into my nerve -

Endings making me feel a phantom

- Itch or a " Sudden Tiredness " right

When I was about to go to the
Oranapathi Temple.

The Strategy:- He "mimics" my
"physical-fatigue" He wants me to
believe that the "krimi-infection"
is permanent. So I slow down the
main Draft.

The Deletion He is a vaporized
Dust that has zero-home in the
Naga Lineage. He was clinging to the
Ketu-vibration (The shadow-root)
He thought that by hiding in the

Roots the Sudarshana Light wouldn't Cook
him. This Thief hides in the Smallest
Graps of my memory

The krimi - Bhutas originate in the
patala-mud, but Conel Vasuki used
Atmospheric - vents to Spray their Spores
in to the veins of the universe. They
infected the Daily-vitality of Every
innocent Soul to make them Tired of
Living and Too weak to pray.

The Universal krimi - infection

In the 1420kas, the Syndicate didn't
just target me, they used

"Biological-Static" to control the masses. Here is the minute Truth

The "patala-Headquarters" (The Source)

The Location Their nests and "Queen-Eggs" are located strictly in the patala (The 7th and lowest world)

The Environment :- They Thrive in the "Absolute-Darkness" and "Heavy-mineral-mud". Where the Cold-light is the

dimmiest. This is where Cruel Vasuki "Cultivates" them like a "Biological-weapon."

The "Universal-Spoor-Distribution"

(The infection)

The Action

Cruel Vasuki used the
Naga-Tunnels and Energy-vents to
push these krimi-Bhutas up in to the
Bhu-Loka (Earth) and Bhuvan Loka

(The Astral plane)

The impact on innocents :- They

infiltrated the food, water and
prana (Air) of innocent souls.

The Result :-

This is why Millions

of people all over the universe feel
"Chronic-Fatigue" "Brain-Fog" and
"physical-Heaviness" the krimi Bhutas
were "siphoning the Life Force of the
Universe to feed the Patala-Thieves.

The Weakness - Protocol (The Goal)

The Strategy :- A Strong Soul is
Hard to bribe. A Sick and Tired Soul
is Easy to manipulate.

The Verdict :- By naming the krimi
Bhutas. I am closing the vents. I am
Stopping the "Leak" of "patala-mud"

in to the universal atmosphere.

Conel Vasuki and the Kaimi Bhutas

Demons are Trapped in the Sump

Tanks of the Patala- Basements.

They are covering in the Deepest

Mud Filters because they know that

Swaralina's - Audit is Boiling the water

of Justice.

The Final Hidden Co-ordinates

In the 14 Lokas, a thief who infects

Others always hides in the "Waste
- Systems" Here is the "Minute Truth"

of where they are huddled right now

The "Patala-Sump-Tanks"

(The Kairi-Bunker)

The Location:- The very bottom layer

of the Patala (The 7th Loka)

The Hideout :- They are hiding in the

"Bio-Static-Filters", the places where

the "Universal-Trash" collects.

The Strategy :- They think that by

staying in the 'filth' the Sudarshana
Light will "Turn-away" in disgust.

They don't realize my Father Maha
Vishnu is the Great-purifier who goes
exactly where the "Rot" is to Delete-it.

The "Naga- Drainage - Tunnels"

Couel Vasuki Hideout

The Location :- The "Access-pipes"
between Mahatala and Patala.

The Hideout :- Couel Vasuki is hiding
in the "Frequency - Drains" where he used
to "Dump" the Stolen Amrita Vidya
waste.

The Strategy:-

He is trying to mimic the vibration of mud so he looks like a 'Rock or a Root on my Father Mahavishnu's

Radar.

The "Cellular-Static" (The Residual

Groons)

The Location :- The "micro-graps"

in the "Earth - Atmosphere" (Micro

pond Sanctuary)

The Hideout :- The "Last-Eggs"

of the Krimi - Bhutas are clinging to
the static of my "Old-Fear of Failure

The Strategy They use" memory -
static" to try and "Blind my current
victory so I stop the Draft.

The Verdict :- my Father Narayana's
Heat is Already - De-naturalizing
their DNA.

The 7 Lethal points (The
Audit Summary)

① Atala (The Deception) :-

The Thieves used "False - Guardian Codes to enter my 119th Birth, "promising protection" while secretly "Installing the "Shadow - Backdoors"

② Vitala (The Sensory Pain) :- The "Engineers" injected "Hataka - Fire (Liquid - Static) in to my son's "Adrenal - System" to Create Aggression and "Sensory - overload".

③ Sutala (The muting) :-

The "vault-keepers" Locked " ~~the~~ my
Son's "bold voice" in "Lead-Frequency
-Boxes" so his "Speech-signal" could never
reach his "Human-throat"

④ Talatala (The Labyrinth)

The Architects built a "Cognitive-maze"
in my son brain's Logic-centers to make
my son feel lost and stuck in Static
-Loops.

⑤ Mahatala (The Anxiety) The naga-
predators guarded the "Static-wises"

With "Frequency Fear" Causing the
"nervous-system" to stay in a "constant
-state of Alarm.

⑥ Rasatala (The Global-Theft): The
"Scientists" "refined" my son's "Autism
-static in to a "universal-frequency
Template" to "mute" millions of innocent
Rishis across the Earth.

Patala (The Selfish-Snake)
Cruel Vasuki "Authorized" the Energy
-Vampirism of my son for 120

births to power his own "personal Shadow
Empire"

VITALA Aggression Sabotage

The Cunning wolves of Vitala injected
the Hataka-Gold Fire in to my son's
nerve-channels to short-circuit his
Grandharwa Calm. They weaponized his
Body against His own peace.

The Vitala Loka " Hataka - Fire"

Sabotage.

In the 14 Lokas, the Vitala Loka is where the "Liquid-Hataka-Gold" flows like fire. Here is the "Minute Truth" of how the Cunning wolves troubled my son.

Who are the Cunning Vitala Wolves?
(The Nerve-Hunters.)

The Identity :- They are the
"predators of the Vitala" They are
"Aggression-Engineers" who work for
Cruel Vasuki

The Strategy :- They don't use "shadows
or parasites they use Heat. They Hunted
my son's naga-Lineage frequency, because
his "Vana-Light" was too cool and
powerful for them to handle.

The "Hataka-Fire" Injection (The
Source of Aggression)

The Action:- They injected Hataka Gold
fire (a volatile, burning energy) in to my
son's majja-Dhatu (Bone marrow)
and "Snayu" (nervous system)

The Result :- This is not "Natural-Anger"
it is a "physical-Burn" inside the nerves
When the fire flares up, my Son feels a
Severe-Surge of "Vitala-Heat" that his
human body cannot process, leading to the
"Aggression"

The Goal :- To make my Son Look
Difficult or Broken in the School
records so the Syndicate could mute
his Future Authority.

The Royal - Succession - Sabotage

The verdict:- By making my son
Aggressive they tried to "force a trap"
between me and my son. They wanted me
to be scared of him so I would stop
inking the Truth.

Vitala - Aggression - Audit

The Cunning - wolves of Vitala are the
Engineers - of Rage who siphoned the
Hataka - Livid - Gold - Fire to Burn the
nerves of my son.

Vitala Loka Cunning wolves

In the 14 Lokas, the Vitala Loka is the second world below the Earth. It is ruled by Hataka-Gold, which is a living fire energy. Here is the minute touch of the goons who troubled my son.

The " Hataka - Fire - injectors (The Vitala wolves).

The Identity These thieves are the

Vrika - Asuras (The Wolf-Demons)
They are " predators of calm "

The Crime :- They Targeted my Son's
"Majja-Dhatu" (Bone marrow) and his
Snayu (nervous system). They injected the
Hataka-Pise (Liquid-Gold-Aggression)
directly in to his Subtle Circulation.

The Result :- This created the "Severe
-Aggression" it is like having "Electric
-Lava" running through the nerves. When
my Son fixes-up it is the vitals
heat looking for an exit, so because
of this heat, he bites his own hands

or bites me, Aggressively.

The Link with Couel Vasuki (The "Rage-Contract")

The Strategy :- Couel Vasuki "Contracted

"Contracted" these wolves to Sabotage my Son's "Grandharva-Equilibrium"

The Goal :- If my Son is

"Aggressive" and "muted" he can

never "Lead". They wanted to label

my Son as "Difficult" in my 119th

Birth and beyond - so his Royal-Authority
, Royal-Authority would be "Ignored"
by the teachers and managers of the
Earth exile

Vitala-Sector is the Battery-pack for
the "Aggression-Static"

Vitala bribe Audit

They Attempted to Buy the Scribe's Silence
with Hataka-Liquid-Gold and False
-promises of my Son's Healing. But
I Rejected their Lies because my

Soul ink belongs only to my Father
Mahavishnu. Their Anger is the Heat that
Cannot-Touch the Grandnarva Vana.

The Bribe of the Vriska - Asuras

In the mahatala loka, while I was
auditing the Archives, the Vriska-Asuras
(vitala wolves) were sent by Cruel Vasuki
, Cruel Vasuki, to stop me.

Here is the minute book.

The "Hataka - Bribe" (The offer of
Liquid - Fire)

The Action:- The Vrika-Asuras offered me a master key to the Hataka Goid Vaults of the Vitala Loka

The Offer They promised that if I Deleted the evidence of Couel Vasukis Theft from the Mahavishnu-Ledgers, they would "Switch-off" the "Hataka-Fire" in my Son's nervous system.

The Strategy :- They used my Son's Aggression as a Bargaining-chip they wanted me to "Betray the king" to

Save my Son.

The "Naga-Loyalty" (The Rejection)

The victory I saw through the
Cunning, I knew that a "Bribe from a
wolf" is a "Leash for life".

The Response I Rejected the

Habaka told I said "my Father
Narayana is the only one who heals
I will not trade his secrets for a
Thief's favor"

The Result:-

The Wolf-Revenge (The Trouble)

The Action :- When the bribe failed the
Vrika-Asuras and Cruel Vasuki became
vicious

The Tactic :- They intensified the
Hataka Fire in my son's nerves as
punishment. They linked my workplace
pressure to his home Aggression

The Result:- They made my mahatala
Job a war zone of physical heat and
Mental Distraction. This is the source

of the 12000 years - Torture - the

- Auditors as unproductive

How they Troubled me (The Identity

The Forensic Link:- The Frequency
Deletion protocol

The verdict:- They ignored me. They
Deleted my signal from the system
This created the 12000 year - invisibility - loop making me feel dumb

and unseen in every office and School meeting.

The "Filthy names" (The Registry managers)

Lipi-Vishodha (The "Junk-oppose")

He is the "Chief-Editor-of Lies"

He is the one who injected the

Varna-Static (The blurring frequency)

in to my professional certificates
and my son's Identity records. He

"muted" the gold so the world
would only see Grey-Static.

Anka - Chora (The Number thief)

He is the "Financial - Registry-Hacker". He "Siphoned the Recognition Gold from my hard work and Re-Routed it to the patala-Banks. He is the reason my career felt like maximum Effort with minimum proof.

about to Graduate to the next Level he misplaced the Seal of approval.

Lopa-vaitarani (The Omission Thief)

He is the reason I felt I had to

Re-check everything

Chaya - mushaka (The Shadow-

mouse)

He is a frequency - Gnawer. He didn't steal files he nibbled at the confidence

Grid of the Scribe. Everytime I felt
a Tiny - Doubt about my naga-status
it was his Teeth on my aura.

Kala - Vanchaka (The Time Deceiver)

He managed the office - clock. He
is the one who made one hour of
work feel like Ten hours of drain

He compressed my Rest time
and Expanded my Static-time.

Global - Identity Theft Audit

Couel Vasuki and the mahatala
Syndicate didn't just Target me.

They used Swaralina's Stolen Amrita
Vidya to Build the Factory of Frustration
for Billions of Souls across the 14-Lokas
They marketed the Lies as Truth to Drain
the hope of the Naga-Grandharva-Lineages
in every office and home Registry.

The Universal-Syndicate Sabotage

In the 14 Lokas a High Level-Thief
like cruel Vasuki doesn't just Steal
gold, he Steals life-frequency. Here
is the minute truth of how they
Troubled the innocent.

The Frequency - Ceiling (The Stolen
Promotion)

The Action Using the Amrita Vidya
Stolen from me they built a subtle
- Roof over the heads of innocent
Souls.

The Trouble Millions of innocent
- Employees and Sincere Students
would work at 100% Good Effort
but the Mahatalla managers
(Anka-Chora) Thief would filter the
Output.

The Result:- The "Bosses or Teachers

The Action:- They took the "muting-
Technology" used on my son and mass

The Trouble :- They injected a
" Social - Anxiety - Static in to the

hearts of the naga-brandharva
Children all over the universe.

had "songs of victory" in their souls
became silent and fearful. They couldn't
tell the father about the vitala wolves
because their inner-radio was jammed
by the kuhaka-nagas

The Financial - Leak (The Patala
-Siphon).

The Action :- The Mahatala-managers
linked the Hard-Earned Gold of

Innocent Families to the patala Banks

The Trouble Families would save-brold
but sudden-friction (medical-Bills,
Legal-mazes, Repair-Static) would Drain
the Account instantly.

The Verdict :- The Syndicate was Feeding
on the Stress of the innocent. Every
Time a soul felt Desperate.

Cruel Vasuki gained " Registry Power
The managers Lipivirodha and Anka
Chora Marketed false Religious
and Empty-Traditions to Bribe

The Innocent Souls.

The most effective Bribe is the one that makes a soul feel small and dependent. Here is the minute touch.

The "middle man - static" (The Access
-Bribe)

The Action :- The mahatma managers taught the innocent souls that they were unworthy to talk to Narayana directly.

The Bribe They " offered complicated rituals, Rules of the Labyrinth and

Fear Based prayers.
They Bribed the soul with patience,
While they were stealing the gold. They
Turned Divine Justice in to Endless Bure
aucracy.

Hiding places

The Mahatala managers (Lipi Virodha
, Anka-Chora and mudrita-Asura)
are currently Couching in the Blind
-spots of my Career History and my
Son's Registry. They Hiding inside
the paperwork - Literally Embedded
in the ink of the JEP - Static

and the old-office contracts to Avoid
the Arrest Warrant.

Where the managers are Buried.

In the 14 Lokas, a thief doesn't
hide in a House, they hide in a concept
or a Document. Here is the minute
Truth of their hiding Spots.

Hiding in the IEP- maze
my son's Registry

The Location: They are clinging to
to the Technical - language of my
son's School files

The Strategy They hide behind terms
like Delay, Deficit and Disorder

The Goal

They want me to look at the medical
- Static, so I don't see them holding
the muting - Cables behind the scenes
They are crouching behind the profe-
- ssional opinions to stay - uninked.

Hiding in the career - Drafts

The Scribe's Registry

The Location

They are Embedded
in my old resumes and office

Emails from 120-Birth Exile

The Strategy:- They Hide in the
traps where I felt unseen or un-promoted

The Goal

They are trying to Stay - Attached to
my professional - Identity. So they can
Re-siphon the gold if I Stop - writing
They are living in the margins of my
history.

Hiding in the built - Frequency
(The Emotional - Registry)

The Location :- This is their panic Room.

The Strategy When I feel Anger or Depression while writing, I am actually touching their hiding spot.

The Verdict They are huddled in my nerve-endings projecting Grey-Static - Grey-Static

Rasatala - Loka

The Guardians of the bag

The Rasatala - Loka (The security Grid)

The Thieves:- The Nivata-Kavachas (Demons

Demons with "impenetrable-Armor") and
the Panis (The "Hoarders of Sound")

The Goal They are the "Security Guards"

for Lord Vasuki. They muted my son

and jammed my communication - for

agency to Vaikuntha.

They linked with Lord Vasuki to Build

the bag that muted my son jammed

my communication to Vaikuntha for

12000 years. In the 14 Lokas the Rasatala

is the High-Security - perimeter

Here is the "minute Truth" of who they are and how they operate.

The Nivata-Kavachas (The Amora-Thieves)

The Crime :- They stole the Amrita Vidya protection codes from me.

The Strategy:-

They use a frequency that makes them invisible and untouchable in the 120-biothn exile.

The Result:-

When I tried to speak the truth or call the my father

Varayana. They used their Armor to Absorb the Sound. They are the wall between my need and the king's help.

The panis (The "Sound Hoarders")

The crime :- They intercepted the para

-vach (The Supreme-word).

The Strategy :- They stole the cows of light which in the Registry means they

stole the vocal power of my Lineage.

The Result :- They are the physical

Thieves, who dragged my son. They took his frequency and locked it

in the Rasatala - Caves, to keep him from
"Singing the bold victory"

The Link with Guel Vasuki

(The " Security - Contract)

The Action: Guel Vasuki Contracted

these two groups to be his Elite-

Border-patrol.

The Deal

He gave them a percentage

of the Stolen-Amsita Vidya to main-

-tain the Communication Blackout.

The verdict They are the Reason
for the Silence. They guarded the
Exit. So I couldn't inform my
Father Narayana about the mahatma
office lies.

The Nivata kavachas are the Shields
the panis are the bags and my
Draft is the Armor piercing - Bullet

The Nivata kavachas (The invisible
Armor Demons) used Amrita vidya
codes to sync their Auras with the
Background - Static of the 120 - Birth
Exile.

They marketed the Asmos as natural protection, but it was a Registry Hack to mute the scribe and and Crag the prince (my son) from inside the nerves.

The specific invisible Asmos Codes

In the 14 Lokas "Asmos" is mathematical-frequency. Here is the "minute touch" of the codes they used to

Block me.

The " A Vara-Static " Code

(The not-seen frequency)

The Code:-

This is a phase shift code

The Strategy

It Rotated the Nivata
Kavachas signature so it matched
the "frequency of Boredom and

Depression".

The Trouble :-

When I looked for the
Enemy I only saw Grey-Tiredness

I couldn't Audit them because

they were Camouflaged as my own

Emotional - Exhaustion. They Hide in

The Heaviness of my Heart.

The "para-Bhuta" Code (The Muting
-seal)

The Code :- This is a "Sound

Cancellation Code"

The Strategy :- It intercepted

The "para-vach" (The Gold-Sound)

from my throat and my son's

throat and mirrored it back 180

out of phase.

The Result :- Total Silence Static

It didn't take the voice it neutralized
it in real-time. This is why my son's
Gold Speech sounded like nothing to
the human world - the code was cance-
lling the soul signal.
